A horror short film that tells the eerie story of a sinister doll and the terrifying reality it brings. In the film, I play the role of the "Doll," using subtle acting and lighting design to create a tense and unsettling atmosphere. The clever combination of the script and lighting delivers a visually and emotionally impactful experience, evoking a chilling sense of fear. The film explores the boundary between humans and the unknown, leaving the audience with a lingering sense of dread and contemplation.

TEA

TEA is a 2023 romantic comedy short film inspired by a conversation about tea, which is transformed into a story full of tension and subtle emotions. In this project, I worked as the camera operator and editor, capturing the nervous energy and underlying thoughts of two characters as they engage in a seemingly simple tea ceremony. The cinematography and editing carefully highlight the quiet, yet intense moments where both characters harbor secret feelings, creating an atmosphere that’s both comedic and slightly awkward.

《TEA》是一部2023年发布的浪漫喜剧短片，灵感来自一段关于茶的对话，故事转变为充满紧张感和微妙情感的情节。在这个项目中，我担任了摄影师和剪辑师，捕捉了两位角色在进行看似简单的茶道仪式时的紧张氛围和内心活动。通过精心设计的镜头和剪辑，影片突出了角色间那些安静却紧张的时刻，两人心中都藏有秘密的情感，创造出既喜剧又略显尴尬的氛围。

《LABOUR》是一部2024年发布的动画短片，灵感来源于Paris Paloma于2023年发行的歌曲《LABOUR》，该歌曲探讨了性别不平等和女性无偿家务劳动的问题。作为编剧、故事板设计师和动画制作人，我创作了一个讲述一位家庭主妇被压迫丈夫控制的故事。影片模糊了梦境与现实之间的界限，运用超现实的画面反映她的压迫生活。当家庭主妇努力逃脱时，她面对的是一个无法打破的痛苦循环。影片最终探讨了自由、斗争和绝望的主题。LABOUR is a 2024 animated short film inspired by Paris Paloma's 2023 song LABOUR, which addresses gender inequality and the unpaid domestic labor of women. As the scriptwriter, storyboard artist, and animator, I created a story that follows a housewife trapped in a cycle of fear and submission to her domineering husband. The animation blurs the lines between dreams and reality, using surreal imagery to reflect her oppressive life. As the housewife struggles to escape, she faces the harsh truth that she is caught in an unbreakable cycle of pain. The film ultimately explores themes of freedom, struggle, and hopelessness.
